What about chairs for the ceremony?

You are welcome to use chairs from our dining room. We will be very happy to help with the placement.

What about music?

We have resources for music for you wedding.

Marcia Lotter - Violinist
 Mindy Rosenfeld - Quartets
 Roberta Belson - Harpist

Is there someone to do the bride's make-up?

Yes, Amy Wall - www.mendocinobeauty.com

Amy will come to the inn or you can visit her shop in Mendocino. Our brides love to take over the spa on the day of the wedding for spa therapy and have Amy provide make-up and hair services for all the females in attendance. A great way to have female "bonding" and we furnish the champagne to get rid of the pre-wedding jitters.

Where is the nearest place for hair styling and manicures?

The Hair Studio in Mendocino. 1-707-937-3099.

What if we don't want everything included in the elopement package?

That's easy - You can make all arrangements yourself and then pay a \$500 site fee for the ceremony.
No charge for extra guests as long as they are staying at the inn.

Can we get married on the beach instead of the gazebo?

Absolutely!

Can we have a bonfire and cook-out on the beach?

Yes you can, in fact it is a favorite thing for wedding groups to do on the night before the wedding. There are picnic tables, fire rings, etc. Bring the hot dogs and s'mores fixins and you are ready. Be sure to remind everyone that it can be cold on the beach, even with a bonfire so dress warmly.

What about the weather?

There is no way we, or the weather service, can predict the weather on your wedding day. It is generally cool - (year round) so be sure the bride and guests have wraps. If it rains, the ceremony can be moved to the spa or dining area - both with incredible ocean views. We are on the ocean and have very odd weather patterns - many days there is sun, fog, mist, rain, clouds, hail, more sun, all in the same morning - get the gist - it just cannot be predicted.

Can we have a wedding dinner at the inn?

Yes, as long as you have booked all of the rooms, you are welcome to use our caterer for a dinner. Arrangements should be made directly with her. Julia Conway - www.assaggiare.com

What if we want to get married in a church?

There are two right here in Elk: Greenwood Community Church and Blessed Sacrament Church.

Do we have to rent all of the rooms at the inn?

If you have a group of 20 or larger we do prefer that you take all of the rooms. You don't want strangers hanging around your wedding and our regular guests are usually here for a getaway so they are sometimes uncomfortable with large groups. Plus, it is much more fun to have the entire inn for your group.

Do we have to stay two nights?

Saturday nights usually require a two night stay. Off season, Nov-Mar, non holiday weeks sometimes are flexible.
Sun-Thurs. stays, year round require only one night.
